Rev. 05/2007

Banks also moves the Court for reconsideration because the Court committed a clear error of law and fact when it stated Banks did not allege an actual injury. Banks was injured when defendant's overrepresented Good time for federal inmates because the national coverage agreement prevented Congress to pass the federal Good time bill increasing federal Good time for inmates and Banks.

Specifically, I am a victim of defendant's statements. Fred Banks personally suffered an injury as result of defendant's conduct. The injury is traceable to the challenged action, and the injury is likely to be redressed by a favorable decision. Valley Forge Christian College v. American Union for Separation of Church and State, 454 U.S. 464, 472 (1982).
